Subject: Vending Machines

Hi Mike -- We phoned your office this morning, but as of yet, no one has returned our call. We wanted to let you know that on Saturday and Sunday, the food machines went down, were repaired and went down again. Also, on both days the change machines ran out of change. I am sure that the Superintendent will be receiving a letter from the Inmates regarding this situation.

At this time, I spoke with the Visit Room Officer and all machines are functioning.

Please remember that this is a very busy time of year and food and change machines should be stocked as much as possible.

As you are aware, our commission checks are due on the 10th of the month. The check was not received in today's mail. These checks are very important to the Recreation Committee and the Inmates as the money is used to fund holiday events for staff and to purchase toys for children.

Please let me know if there is a problem with either issue addressed above. Thank you, Roxann Creen
